Nr. 1-2001/E

Hot from the press !!

Yes, it's true!

The first copy of the 'Europower Newsletter' sees the light of day. From now on this newsletter shall be used as a tool to inform you about special actions, fair participations, training, service, promotions, standards and new developments.

The newsletter will appear every two months and can also be found in colour on our

website. Please feel free to put forward any suggestions you might have.

Fair Fever

Also this year we shall be exhibiting at the 'International Hardware Fair' in Cologne (18-21 February 2001). We are looking forward to welcoming you to our **stand 10.1/C/32**. If you are spending the night in Cologne, please let us know in advance, we may be

able to meet during the evening.

Internationale Eisenwarenmesse

Also this year we present some innovations:

- ☺ 'New Boy' series (see picture below)
- ☺ EP5000/INV: generator for welder invertors
- ☺ Most powerful one cylinder air-cooled quality diesel generator on the European market with Hatz 1B40 engine (7 kVA)
- ☺ New documentation + price list 2001
- ☺ Surprise for every visitor

The new EUROPOWER eyecatcher

- ☺ Flexible build-in possibilities
- ☺ Compact design
- ☺ Easy to use and very easy to maintain
- ☺ Highly suited for intensive use
- ☺ Very quiet, but still cast-iron

DEALER TRAINING

From 2001 onwards, a dealer training shall take place every last Thursday of the month. Please contact us for more information on +32.11.586161 (tel.), +32.11.582838 (fax) or per e-mail:
