Hi,

As you can see for yourself on the left, the International Tool and DIY exhibition in Cologne changed name and style as of now. Do make a note in your scheduler for these dates: from March 9 till 12, 2003.

Exhibition opening hours:

every day from 9 AM till 6 PM.

You can join us there in Hall 14.2 booth C050.

The first EUROPOWER Inverter Generator, EPSi2000, will officially be launched at this event. [You can find right here](#) more info on this compact and light-weight inverter generator.
